

So you've decided on Data, Video and Voice service.
That's great! The more you need the more you save.
Goodbye bundles. Hello discounts.

Data Discount

\$21⁹⁵ /month

when you add Internet
to any Voice plan.

Video Discount

\$25⁰⁰ /month

when you add Video
to any Data plan.

Total Savings

\$46⁹⁵* /month

when you subscribe to
Voice, Data and Video.

AUTOPAY

Keep the savings rolling! Sign up for AutoPay and/or Paperless Billing and receive an additional monthly discount. Take both and you'll also earn a one-time \$20.00 credit.

*ILEC customers receive standard Voice with any Data plan. Discounts are shown as "up-to" maximums. Data Discounts are determined by market and subject to change. Offers subject to change. Norvado service may not be available in certain geographic areas due to bandwidth restrictions. Credit check required to obtain Norvado services. Applicable taxes, fees (such as 911, USF, IEUF, activation) and surcharges extra. Monthly services and discounts will be prorated. Installation and material charges may apply. Long distance refers to domestic (contiguous US and Canada) calling not to exceed average business voice (person to person) thresholds. Abuse of long distance may result in additional charges or termination of service. New Data, Video and/or Voice service activations qualify for Free Standard Installation (up to \$200.00 value), and includes professional router installation and setup. Services performed or equipment installed beyond the Free Standard Installation value (over \$200) will be billed on a time and materials basis on first month's statement. Cancellation of services may result in the billing of full installation charges and equipment not returned. Consumption of long distance above subscribed allotment may result in additional charges or termination of service. ILEC subscribers will receive a Data Discount of \$21.95; CLEC subscribers will receive a Data Discount of \$27.95. Video Service Discount requires subscription to Basic Expanded or Expanded Plus Video package. Data speeds advertised are not guaranteed; customers will receive "up to" the advertised speed they are subscribed to. Must prove telecommuting via employer verification. Exclusions and conditions apply. Speak with a representative or visit norvado.com for more details.

Business SERVICES

We make our small towns high tech.

Regardless of the size of your business, technology plays an important role in the successful operations of your company.

At Norvado we believe that technology should enable success, not complicate it. Our team works with you to create strategies that optimize your business regardless of what stage it is in.

Our support team is stacked with experts to ensure your business maintains maximum up-time and receives product support as your technology and business needs to evolve.

VOICE

VIDEO
