\*ILEC customers receive standard phone with any internet plan. Discounts are shown as "up-to" maximums. Internet Discounts are determined by market and subject to change. Offers subject to change. Norvado service may not be available in certain geographic areas due to bandwidth restrictions. Credit check required to obtain Norvado services. Applicable taxes, fees (such as 911, USF, IEUF, activation) and surcharges extra. Monthly services and discounts will be prorated. Installation and material charges may apply. Long distance refers to domestic (contiguous US and Canada) calling not to exceed average residential voice (person to person) thresholds. Abuse of long distance may result in additional charges or termination of service. New Internet, TV and/or Phone service activations qualify for Free Standard Installation (up to \$200.00 value), and includes professional router installation and setup. Services performed or equipment installed beyond the Free Standard Installation value (over \$200) will be billed on a time and materials basis on first month's statement. Cancellation of services may result in the billing of full installation charges and equipment not returned. Consumption of long distance above subscribed allotment may result in additional charges or termination of service. ILEC subscribers will receive an Internet Discount of \$21.95; CLEC subscribers will receive an Internet Discount of \$18.95. Multi Service Discount requires subscription to Basic Expanded or Expanded Plus TV package. Internet speeds advertised are not guaranteed; customers will receive "up to" the advertised speed they are subscribed to. Telecommuter Package is for fiber-eligible customers only and includes unlimited local calling. Must prove telecommuting via employer verification. Exclusions and conditions apply. Speak with a representative or visit [norvado.com](http://norvado.com) for more details.
